Survey Prepared By:
Falk PLI Engineering & Surveying, Inc.
Portage, Indiana
1. All dimensions provided in inches and decimals are from the exterior faces, unless otherwise noted.

2. All tolerances have not been given from the exterior faces of the wall back.

3. 3.1.24.24:2009 of SCAE 09.0.6

4. 3.1.24.24:2009 of SCAE 09.0.6 and local codes. Additional details are available upon request.

5. This drawing does not show all the features noted on the drawings. It is up to the owner to perform any work outside the scope of the drawings.

6. All notes are to be checked with the designer before construction. Parts owned by others are labeled as such in the drawing footnotes.
